

In occasione della giornata della memoria, gli alunni del plesso Fraccon hanno realizzato diversi elaborati simbolici per riflettere sul valore della testimonianza storica e sulla necessità di costruire un futuro luminoso attraverso i piccoli gesti quotidiani.

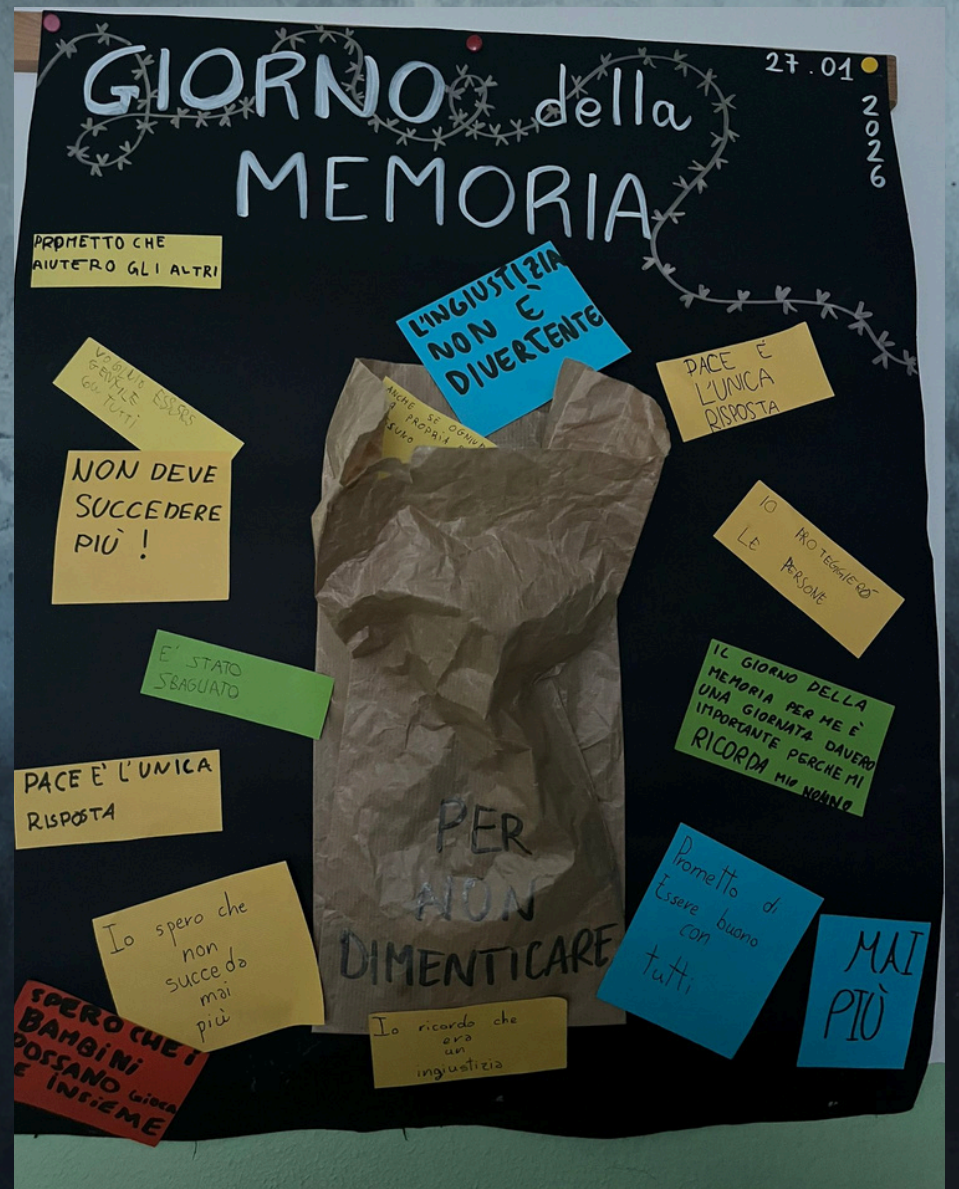

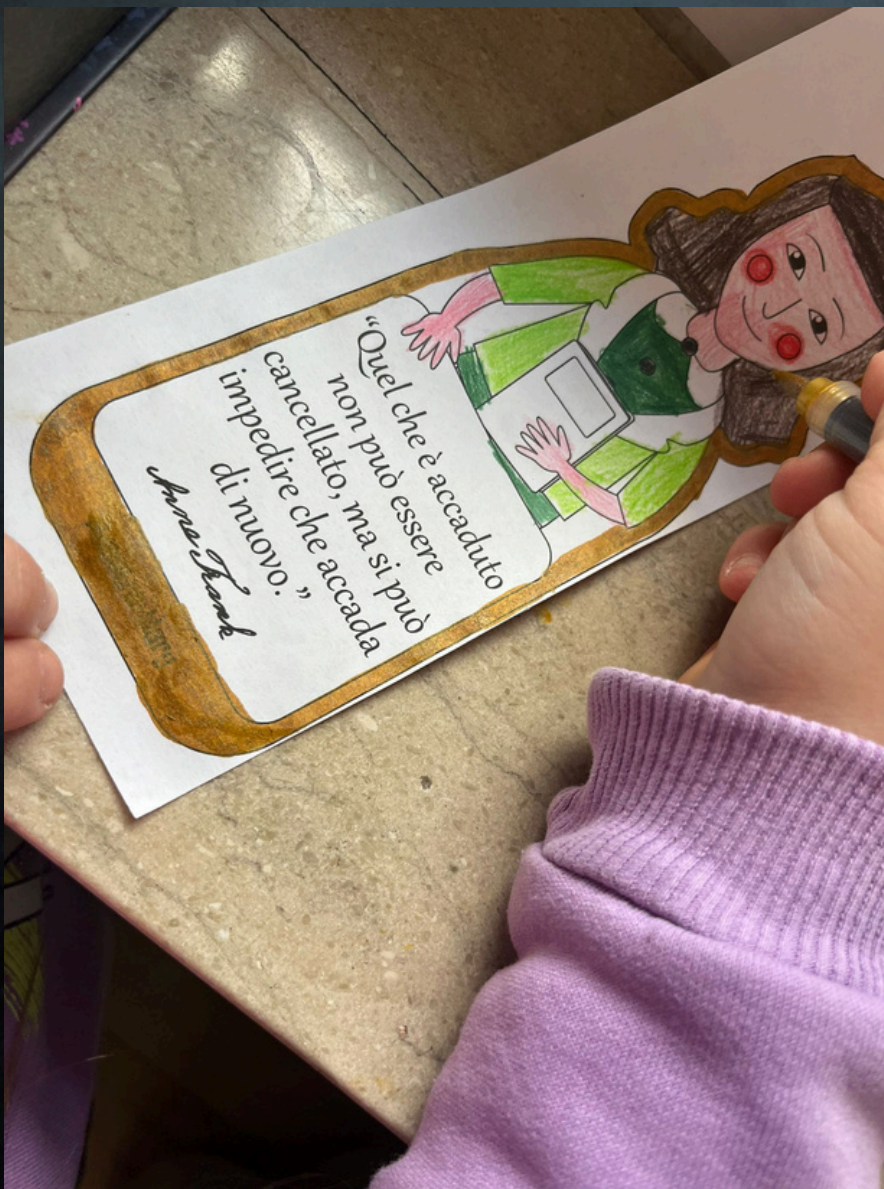

Questa esperienza ha mostrato loro che la speranza, da sola, non basta: il domani si costruisce oggi, agenda con consapevolezza e responsabilità.

GIORNATA DELLA MEMORIA

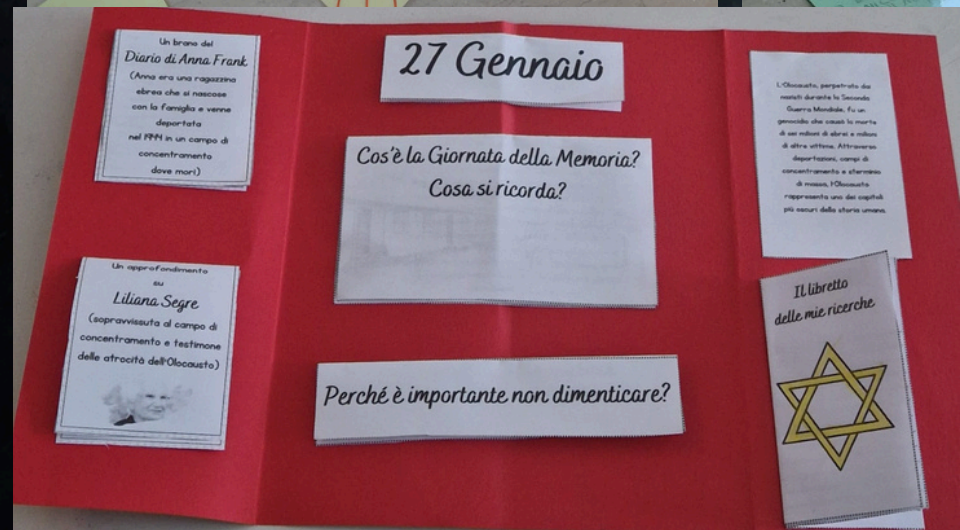

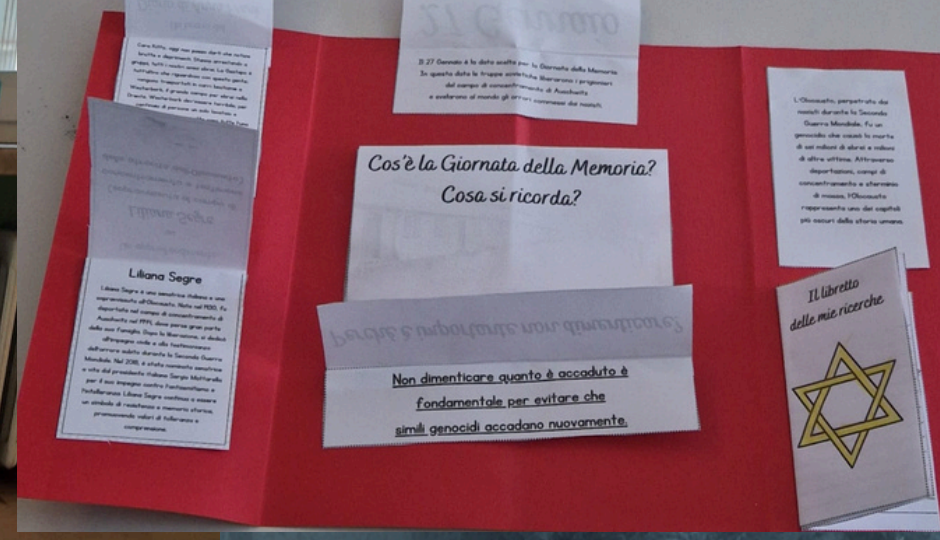

A drawing of a train track leading to a small building with a tower, possibly a station or a prison. The drawing is simple, with a perspective view of the tracks receding towards a central building. The building has a small arched entrance and a square tower on top with a pointed roof. There are some small windows or openings in the building. The drawing is done in a sketchy, hand-drawn style.
